Herewith is a copy of a memorandum handed to me by Colonel [redacted] concerning arrangements for the support of Project [redacted]. The arrangements herein outlined seem reasonable to me although it would appear to me that the number of duplicates proposed is still excessive. Could you be prepared to comment on these arrangements at the Staff Meeting on 22 July. I am particularly interested in the load this will place on Eastman Kodak, having in mind Major [redacted] comment on an earlier paper on the large number of duplicates being requested.
